

2018 Lanrick Challenge Start Times: Issued 01/08/2018

Please note, The Lanrick Challenge is organised as a fun, charity obstacle event. We run a basic manual timing system which is managed by a team of event volunteers who offer their free time to record the data. We endeavour to publish accurate results however with over 45 obstacles situated in a diverse and natural environment, we cannot provide marshalls and police the completion of every obstacle. We trust all competitors will enjoy The Lanrick Challenge in the spirit intended. Enjoy the day and thank you for supporting this 100% charitable focused event.

Please make sure you give yourself plenty of time to collect your number and check in at the warm up ring 15mins before your start time
